LEVEL 1

ISO Inspection Report

Each bar code symbol is inspected and a quality report including all ISO quality parameters is provided.

Linear bar codes
(UPC, GTIN, Code 39, RSS, etc.)
\$30 for each symbol

2D codes
(DataMatrix, QR, Aztec)
\$50 for each symbol

Direct Part Mark (DPM)
Symbol evaluation
\$75 each symbol

DPM lots or multiple quantities will be quoted on a case-by-case basis.

LEVEL 2

Technical Evaluation and Summary Report

A detailed evaluation of the symbol's measurable parameters with an ISO-compliant inspection device is performed; as are additional evaluations using a variety of optical measuring tools.

A written report is provided summarizing the findings, root causes, and suggestions on improving the quality of the printed image.

Price: \$150 per hour
One-hour minimum

LEVEL 3

Executive Level Evaluation and Report

Bar code quality issues of situational and technical complexity are examined and evaluated. In addition to the Level 2 Review, an in-depth analysis of all components and factors, such as materials, specific printing process involved, and scanning method, is included. A written report is provided detailing the symbol quality, including the ISO parameters and any root causes, combined with the market impact of the technical issues.
